**Cairn Energy India Pty Limited**

**Global Expression of Interest for hiring of a Barge for Coiled Tubing  
& Pumping Services: Ravva Block**

Cairn Energy India Pty Ltd (CEIL) is the Operator of the Ravva offshore block located on the east coast of India. CEIL is planning to conduct barge based coil tubing operations in the Ravva block during the first quarter of 2010.

CEIL invites expression of interest from experienced contractors for provision of barge with the following specification:

- The barge should be a 8 point mooring barge with tensionometers & remote operation capability
- Should be IACS class complying with National Regulations
- Helideck for BELL 212 operation
- Clear deck space 500 sqm
- Crane capacity 15T at 25 m radius with 50m boom length
- Certified accommodation for 40 pax besides marine crew
- Environmental limitations: Mooring analysis to comply to 30 knots wind: 2.5 m swell, current 2 knots
- Suitable Tug to conduct anchor handling and tow of the barge in the above environmental conditions

Tentative hire period: 45 days with provision for weekly extensions. The barge is required to be in the Ravva block between 01/01/2010 to 07/01/2010.

Interested contractors are requested to submit expression of interests with the following documents within 10 days of publication of the advertisement.

1. Company details, Fleets owned and their experience in execution of similar services
2. Full specification of the barge.
3. Availability for the barge to be in location by 1<sup>st</sup> week of January 2010
4. Details on policies, procedures and quality assurance practices currently in place for the execution of similar works.
5. Health, Safety and Environment policies, procedures and statistics covering the last 3 years.
6. Corporate financial details: Company's revenue and net worth details along with audited financial statements for the last 3 years.

The envelope should be superscripted with "8 point mooring barge -Ravva and be addressed to:
