

Energy for India
Cairn Energy India Pty Limited
Expression of Interest for Provision of Intelligent
Pigging Services

Cairn Energy India Pty Ltd (CEIL) is the Operator of the Ravva offshore block located on the east coast of India.

Ravva field has 25 sub-sea pipeline connecting Platform to Platform & Platform to Onshore Terminal, transporting produced fluids from wells, gas, water for injection into wells and treated crude oil for export. These pipelines range from 4” to 20” in size and 3.5Kms to 15.0Kms in length.

CEIL is planning to carry out Intelligent Pigging of some of the pipelines as part of the scheduled assessment of pipeline condition. In this regard, CEIL seeks Expression of Interest from suitable parties for providing Intelligent Pigging Services for pipelines. CEIL is planning to commence the pigging operations during the last week of October 2009. The Contract Period shall be two years with an extension option for one year.

Interested service providers having proven experience should submit the following documents within 10 days of publication of this advertisement to the address given below.
