

**Energy for India**  
**Cairn Energy India Pty Limited**  
**Expression of Interest for provision of diving**  
**equipment and services**

Cairn Energy India Pty Ltd (CEIL) is the Operator of the Ravva offshore block located on the east coast of India. CEIL is planning to engage a suitable contractor for provision of diving equipment and services in the Ravva Block.

The work scope includes provision of a suitable IMCA/IACS approved diving spread and competent personnel for offshore maintenance services. Intended sub sea activities include maintenance of the oil offloading system and maintenance and inspection of the platform to the required standards of the certification authority. The services are required to be mobilized by 1st July 2009.

Interested contractors are requested to submit the following documents within 7 days of publication of this advertisement.

- List of similar jobs successfully executed in the last three years and projects currently under execution.
- Availability of diving equipment and personnel
- Details on Health, Safety and Environment policies and procedures
- Corporate financial details

The envelope should be superscripted with “Diving Equipment and Services – Ravva and be addressed to:
