# CAIRN ENERGY INDIA PTY LIMITED

(Incorporated in New South Wales, Australia – ACN 002 066 784)

### **EXPRESSION OF INTEREST (EOI) FOR ENGINEERING-PROCUREMENT-CONSTRUCTION (EPC) CONTRACT FOR THE BHOGAT TERMINAL and AND RADHANPUR TERMINAL**

Cairn Energy India Pty Ltd. ("CEIL") is the operator of block RJ-ON-90/1 (the "Block") in India, and operates the Block on behalf of itself and its Joint Venture (JV) partners Cairn Energy Hydrocarbons Limited and Oil and Natural Gas Corporation(ONGC). The Block contains a number of major oil discoveries, including the Mangala field, the largest onshore oil discovery in India since 1985. CEIL and its JV partners have approval from Government of India (GoI) for a pipeline to transport crude oil from the Block at Barmer, Rajasthan to a coastal terminal facility in Gujarat. The pipeline project involves an Oil Evacuation Pipeline and Gas Pipeline of approximately 670 km, pumping / terminals and related facilities for the transportation of 1,50,000 to 1,75,000 barrels of crude oil per day from the upstream process terminal at the Mangala field to the downstream terminal point on the Gujarat coast at Bhogat, in Jamnagar District. CEIL intends to issue a contract for Engineering, Procurement & Construction (EPC) for Bhogat Terminal and for Radhanpur Terminal for its project.

Engineering, Procurement and Construction (EPC) Contractor services are required for Terminal facilities at Bhogat and Radhanpur.

EPC Contractor's scope shall include :

- Verification of Basic Engineering Package for Bhogat and Radhanpur
- Detailed Engineering of facilities including HAZID, HAZOP, SIL, QRA.
- Supply, construction , installation of
  - Buffer crude oil heated storage tanks fabrication, installation (Number of Tanks – 8 nos, each of 300,000 barrel capacity) for Bhogat and 3 tanks of 20,000 barrels each at Radhanpur Terminal with On-line blending facility.
  - Piping, civil, electrical mechanical and instrumentation bulks
  - Fiscal Metering
  - Installation of tanker loading pump ( 3X 50% each 300,000 barrels per day capacity for Bhogat Terminal only.
  - Buildings – Control Room, Administration building, canteen, laboratory, workshop, warehouse, fire house, security rooms, watch towers, sub-stations, local equipment room etc for Bhogat Terminal and control room, local equipment room, security room and Sub stations for Radhanpur Terminal.
- Pre-commissioning
- Commissioning assistance

CEIL seeks Expression of Interest (EOI) from reputed EPC Contractors for the above mentioned EPC works. Only those companies possessing substantial and proven record of performance in executing similar jobs of this magnitude should respond to this notice. Companies are requested, as a minimum, to submit the following documents and details:

1. Letter of interest with detailed company information.
2. Lists of similar projects successfully executed in the last five years and those of currently under execution. (With particular emphasis on project of similar magnitude carried out in Pipelines in Oil & Gas sector).
3. Discipline and geographical location wise company's permanent manpower strengths for providing EPC services.
4. List of policies and procedures currently in place for the execution of similar work.
5. Company's financial performance documents (Audited Balance sheets and Profit and Loss statements etc.) for last 3 years.

All information and documentation shall be provided at address below within 14 days of publication of this EOI by e-mail as attached PDF file and via courier to:
