

CAIRN INDIA LIMITED

**GLOBAL EXPRESSION OF INTEREST (EOI) UNDER INTERNATIONAL
COMPETITIVE BIDDING (ICB) BASIS FOR ONSHORE CIVIL AND STRUCTURAL
CONSTRUCTION CONTRACT FOR GAS LIFT PRESSURE UPGRADATION
PROJECT AT RAVVA OIL & GAS FIELD**

Cairn India Ltd (CIL) is the Operator of the Ravva offshore block located on the east coast of India. CIL is planning to engage a suitable contractor for (A) Supply of Civil Materials and Civil Construction Works including but not limited to Excavation and Back filling, Cast In-situ Piling, Equipment foundations (Process Gas Compressors, Gas Engines, Satellite Control Room, RCC, PCC etc., Grouting, Fireproofing and for (B) Structural Fabrication and Erection Works including but not limited to Compressor Shelter, Technological Structures , Supports for all equipment and piping etc. under Gas Lift Pressure Upgradation Project at Ravva oil & gas field. Structural Steel Materials shall be procured by CIL and shall be free issue items for the Civil and Structural Construction Contractor.

CIL intends to award a Construction contract for the abovementioned work. To this effect CIL seeks Expressions of Interest (EOI) from all the reputed construction contractors.

I. Scope of Work :

Cairn India Ltd is the operator of Ravva Oil & Gas Field in the East- Godavari district of Andhra Pradesh. Ravva field contains 8 un-manned wellhead platforms, which are connected to the on-shore terminal through pipelines. Produced fluids are processed at the on-shore terminal.

The scope of work, for installing High Pressure Compressor Package with Gas Dehydration Unit, pre-issued in skids, shall be including but not limited to:

- a. Arrangement for suitable Fabrication Yard at Ravva Onshore Terminal, Surasani Yanam. Majority of Fabrication work shall be performed at this on-shore Fabrication yard and subsequently these prefabricated items shall be moved to compressor area for installation by construction contractor. Hiring of suitable vehicle for transportation of material from Fabrication yard to work site shall be in the scope of vendor.
- b. Complete Supply of Civil materials and complete execution of Civil works including In-situ Cast Piling work (around 40 Meter depth), Excavation and Backfilling, Foundations of all Equipment and Piping (RCC and PCC), Grouting, Satellite Control Room, Fireproofing.
- c. Complete Fabrication and erection of structures, including shot blasting and Painting, for Compressor Shelter, all equipment support and Piping support

structural work etc. The Drawings for compressor shelter and technological structure shall be provided by CIL.

- d. Complete Fabrication and erection of technological structures for Air Finned Coolers and other equipments. The Drawings for technological structure will be provided by CIL. Structural Steel Materials will be procured by CIL and shall be free issued to the contractor.

CIL seeks Expression of Interest (EOI) from reputed Construction Contractors with proven quality and delivery capability for Civil and Structural Construction projects. Such reputed and capable contractors are requested to respond to this EOI to meet business objectives.

The Companies are requested, as a minimum, to submit the following documents and details which will serve as techno-commercial pre-bid qualification criteria:

1. HSE Systems:
 - a. For all Civil and Structural Construction projects in Oil & Gas Industry, executed in last 10 years
 - b. HSE Manual/Policy
 - c. Project specific HSE Plan for similar project
2. Letter of interest with detailed company information as follows:
 - a. State the name of the parent Company
 - b. State the name/address/phone/e-mail of the company that would execute the Contract
 - c. If a Joint Venture to be proposed, state the name/address/phone/e-mail of all Joint Venture partners
 - d. Organization structure
 - e. Installation & Commissioning Organization Structure
 - f. Size of Departments
 - g. Procurement system & procedure
 - h. Material Control System
 - i. Supply Chain Management System & procedures
3. Company's financial performance documents (including JV partner's financials, if proposed) i.e. Audited Balance Sheets, Profit and Loss Account & Cash Flow Statement for the last 3 years & following details separately;
 - a. Company Turnover based on last 3 audited/Financial statements. Bidder total turnover shall be at least US \$ 3.0 MM for each of the last three financial years.
 - b. Bidder must have executed a single contract value of US \$ 1.5 MM million during any of the last three financial years for similar Civil and Structural Construction projects in Oil & Gas Industry Company's

c. Net Worth based on last 3 audited/Financial statement

4. Experience

- a. Vendor must have renowned clients in the field of Oil & Gas.
- b. Vendor shall have minimum 10 years experience in the field of Civil and Structural Construction projects in Oil & Gas Industry
- c. Vendor must provide lists of similar Civil and Structural Construction projects in Oil & Gas Industry successfully executed. Vendor shall demonstrate their ability to deliver complete job scope including Piling, Civil Foundation for Heavy Rotating Equipments like Process Gas Compressors, Turbines, Gas Engines and Structural works involving Technological Structures. Vendor shall attach completion certificates for the projects listed.
- d. Vendor shall demonstrate its ability to deliver complete job scope. Vendor shall be familiar with Onshore Oil & Gas codes and standards.
- e. Details of current commitments

5. Quality Systems:

- a. Copy of current ISO Certificate provided
- b. Certification of the companies QA system by an accredited certification body
- c. QMS of the Company
- d. Bidder shall have availability of latest testing and research facilities with experienced technical specialists.
- e. Vendor shall demonstrate the quality of Design & Robustness of equipments to be supplied

6. Delivery Period

- a. Delivery Period shall be less than 24 weeks. Vendor shall confirm the delivery period in its Expression of Interest.

The envelope should be subscribed with "Reference No. CIL/PSCM/EOI/ Civil and Structural Works for GLPUP/Ravva/ EOI#1000033745". All information and documentation shall be provided at address below within 14 days of publication of this EOI by e-mail as attached PDF file and via courier to:
